- NPTEL facility on intranet with individual Login.

Workshop

Prof. S.S. Surwase
M.E.. & Ph.D. (App.)
W/S Suptdt.

The Workshop is Located in a separate building, adjacent to the mechanical department in the campus.

Workshop consists of spacious shops

- | | |
|------------------------|--------------------------------------|
| 1. Machine Shop | 2. Carpentry |
| 3. Fitting | 4. Turning |
| 5. Welding | 6. Foundry & Black smithy |

All shops are well equipped with sophisticated machines like HMT lathes, Universal Milling Machine etc. Workshop infrastructure supports the University syllabus and specific work of student's projects / practicals.

Basic Sciences & Humanities

Prof. P.M. Sutar
ME (ETC),
HOD

The First Year Engineering Department is the stepping stone for all budding engineers. It offers a strong foundation for the various engineering branches by providing the students with fundamental knowledge in sciences and awareness of the basic technical skills to be honed in the years to come. It comprises of various disciplines like Engineering Physics, Engineering Chemistry, Engineering Mathematics, Electrical Engineering, Civil, Mechanical, Electronics & Telecommunications, Computer Engineering.

NSS / Gymkhana

Prof. S. N. Gaikwad
Gymkhana In Charge

Prof. S. N. Doijode
NSS In Charge

GYMKHANA :

We provide various types of sports facilities from Gymkhana to play Cricket, Volleyball, Table tennis and Athletics games. These games help to improve the physical fitness of students. Our students participate in various competitions at Inter college level, district level, University level and state level.

NSS :

National Service Scheme provides the students an opportunity to interact with the society, identify problems as well as the solutions in which they can be involved by assuming social responsibilities.

Our STBCET College of Engineering conducts NSS programs. These programs are arranged by Program officer, members and 50 voluntary students. We conduct social work at college and nearby village which provides our students the opportunity to apply their education in finding practical solutions to the problems faced by the individuals and the community at large. NSS aims at arousing social consciousness of the youth with an overall objective of personality development through community service.

STB Pattern

The academic activities practiced in all departments

- ☞ Expert Lectures for personality & soft skill development.
- ☞ Students Association viz. CESA, MESA, EESA, TEESA, CSEA organizes activities.
- ☞ Course-wise well equipped buildings.
- ☞ Students are taken care by Local Guardian.
- ☞ Educational Tours, visits, Seminars, Workshops, Paper Presentation and other competitions have been arranged in college.

- ☞ Course-wise Departmental buildings includes Computer lab with networking & internet facility.
- ☞ Centrally located Library building.
- ☞ Class Tests are conducted regularly and Progress Reports are sent to parents every semester.
- ☞ Guidance for GATE, TOEFEL, MPSC, UPSC by Experts.
- ☞ Every year, students are prepared for GATE Examination, Competitive Exams for further education.
