## **MEASURES INITIATED FOR THE PROMOTION OF GENDER EQUITY**

### **Executive Summary**

Shri Tuljabhavani College of Engineering ,Tuljapur we follow the concept of gender equity refers to “fairness of treatment for both women and men, according to their respective needs. This may include equal treatment or treatment that is different but which is considered equivalent in terms of rights, benefits, obligations and opportunities” (International Labour Office [ILO], 2000).

Education deals with formation of habits of human beings. If so, we need education seriously to focus on promoting the equal participation of women and men in making decisions; reducing enrolment gap between women’s and men’s access; giving equality in learning process, educational outcomes and external results; and providing equal benefits for both sexes.

Gender equity in education means that males and females have equal opportunities in terms of economic, social, cultural, and political developments. If gender equity is exactly achieved this will contribute to future of girls and boys more than approaches men-centered, and girls will get benefits from public and domestic life as much as boy.

### **Safety and security**

Safety of girls is a top priority at every college campus. Nowadays, safe and supportive campus community is both an obligation and a challenge for college administrators and students. Institute should provide a comprehensive range of security amenities especially for girls within the premises, through a dedicated team of security personnel. It is a common phenomenon that most of the

### **CCTV Camera**

24 hour CCTV surveillance is maintained in the college. It helps to keep a check on anti-social activities. Students and other employees in the college too remain cautious about the surveillance. Discipline is also maintained and it also provides a sense of security to the students and even their guardians. Students wear identity cards at all times to ensure their identity. The institution takes good care of the students in every aspect.

### **Visitor register**

The institute keeps visitor log register to record the details of any person entering the college premise.

### **Restricted Entry**

For security of the girls in the college campus and to restrict unwanted entry, proper boundary wall with fencing have been constructed. Signboards have been placed outside hostels to ensure restricted entry

### **Canteen facility in night**

Hostel mess is available within the hostel.  
Waiting room for parents

### **Women Grievance and empowerment cell**

A Women Grievance & Empowerment Cell also plays role actively to address the issues of all the female students in the college.

### **Common Rooms**

For boys and girls we have separate hostels and strict rules are observed to maintain proper law and order

### **Awareness program**

Awareness programs and workshops on gender sensitivity are regularly organized in the campus and nearby places by the students and faculty members to make them aware towards women issues in order to enhance women empowerment.

### **Active participation by female staff and student**

Female faculty members and students also play a very active role in the events and fests organized by various committees and clubs of the institution.
